

MESH CURTAIN CANOPIES

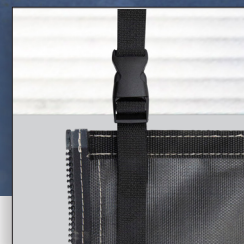

Hewitt Mesh Curtain Canopies provide durable protection for your lift. Breathable mesh allows air flow while keeping birds and other nuisances out of your canopy. Create a custom-fit canopy using our four sizes of mesh panels.

- 42" tall.
- Vinyl encapsulated woven polyester mesh
- Plain Weave 17x11

All mesh curtains include a pocket to insert PVC pipe into which will hold the bottom of your mesh curtain ridged and protect your curain from wind damage.

Adjustable buckles fasten it together quickly and securely to any canopy rail.

Find the perfect fit for your canopy at hewittrad.com

Fits flat and flared styles for standard canopies.

NOTE: Not recommended for peak roof canopy frame
